

10 YEARS OF ICON WIN THIS CHAIR

Knoll

 Goswell Road
THE TULIP CHAIR BY EERO SAARINEN, 1957

TO ENTER

To celebrate a decade in print, Icon is giving away six collectable chairs. To win one, we ask you to doodle around a silhouette of the chair you want, putting it in an imaginary context. To enter, post your completed form (or forms) into the plinths displaying the chair depicted – these are designed by Mobile Studio and are positioned at prominent points around the festival. See clerkenwelldesignweek.com/showrooms/map – or the maps on site – for these locations. Only physical entries will be accepted. The winners will be judged on wit and style, as much as for their technique, and will be selected by Icon's editorial team. The winning entries will also be featured in the next issue of the magazine. We look forward to your doodles.
